

The Junior Young Civic Award was introduced to our Year 7 cohort as part of our 'Fit for Life' ethos.

Pupils worked independently throughout the year, with the guidance of their fit for life teachers, to complete each unit based upon their own plan.

Pupils recorded their journey and at the end of the year, will share their experiences with the rest of their year group. They will be given a certificate of completion.

The aim of the program was to enable students to develop soft skills and support their local community through the completion of four units.
